

Sonoma County Mobile Home Owners' Assn. Inc.

Protecting our Rights and Lifestyle

With Education, Communication and Integrity we want you to know ... we're working on your behalf!

We're actively listening to homeowners,
Traveling to Sacramento to pass protective legislation,
Helping parks that face unwelcome condo-conversion,
and advocating for your needs with local government.

We're here to support you, Join us!

This year more than ever, your membership can turn the tides toward the preservation of our manufactured home communities.

Dr. Richard
Shames,
SCMOA
President

Diana Wright,

Our increased unity at local and state levels has attracted the support of powerful allies such as AARP, NAACP, Council on Aging and CA Association of Cities.

Move forward with us!
